

Interface

```
graph BT; Mock[Mock] --> Interface[Interface];
```

A UML class diagram illustrating a mock implementation. At the top is a white rectangular box with a thin gray border labeled "Interface". Below it is a gray rectangular box with a thin gray border labeled "Mock". A solid blue arrow points vertically from the top center of the "Mock" box to the bottom center of the "Interface" box, indicating that the Mock class implements the Interface.

Mock
