

ParentClass

```
graph BT; ChildClassWithStreamOperator --> ParentClass
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin black border labeled "ParentClass". Below it is a gray rectangular box with a thin black border labeled "ChildClassWithStreamOperator". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "ChildClassWithStreamOperator" inherits from "ParentClass".

ChildClassWithStreamOperator
